Whether you're new at the home-buying or selling game in Canada, or whether you've played it before, most of us dread the onslaught of flashy, fast-talking real estate agents and property managers. Well, help has arrived. This revised edition of *Buying and Selling a Home For Canadians For Dummies* prepares you to get what you need and want when buying a new home or selling the one you're in. Everything from arranging your finances and hiring an agent, to researching neighbourhoods and assessing home values is presented in a clear and humorous way to help you get the most out of the process. Important information to help you:

- Market your home and sell for the highest possible price
- Negotiate the best price and terms of sale
- Find the right new neighbourhood with reasonable prices and the type of housing to suit you and your family
- Decide whether or not to hire an agent and tips on how to choose a good one
- Select the best mortgage and understand tax considerations

Updated in the 2nd Edition:

- Examining zero percent down payments, lines of credit and other alternatives to conventional mortgages
- Using the Net: New, useful sites and what to watch out for
- Buying condominiums: An
