

Capitalism At The Crossroads: The Unlimited Business Opportunities In Solving The World's Most Difficult Problems - Stuart L. Hart

This is the eBook version of the printed book. Capitalism is indeed at a crossroads, facing international terrorism, worldwide environmental change, and an accelerating backlash against globalization.

Companies are at crossroads, too: finding new strategies for profitable growth is now more challenging.

Both sets of problems are intimately linked. Learn how to identify sustainable products and technologies that can drive new growth while also helping to solve today's most crucial social and environmental

problems. Hart shows how to become truly indigenous to all markets -- and avoid the pitfalls of traditional greening and sustainability strategies. This book doesn't just point the way to a capitalism that is more

inclusive and more welcome: it offers specific techniques to recharge innovation, growth, and

profitability. Author: Hart, Stuart L. Publisher: Pearson Prentice Hall Illustration: N Language: ENG Title:
