Deja Vu by Fletchina Archer Join Melissa's erotic journey to enlightenment as she weaves her way through her everyday worlds of her cynical newspaper editor boss, the ever-cheerful and all too observant Chinese cook-herbalist who feeds her at the take-out joint, her wise psychic Gypsy astrologer and advisor, and the half-oblivious and altogether too sensitive Robin, her incredibly attractive yoga teacher. As Robin leads her to explore the outer limits of her sensuality through tantric sex, Melissa inadvertently enters the enigmatic timeless present of a Tibetan land of lamas and nomads, intrigue and mystery, to find herself in another life because of her love. She has no choice but to step into that world of thundering hoofbeats of the high plateau until she learns one of the most important secrets of life. In her present life in a Chicago suburb, she is once again in love with the same inexplicable man of that distant place and time and faced with the same dilemmas of their characters that have long ago been determined by the stars. Mimi, the Gypsy explains to her the story of a cosmic passion between this Virgo and her moon-governed lover unfolding to its inevitable end.
