

European Private Law - Current Status And Perspectives

[DOWNLOAD HERE](#)

Business law and labour law are driving forces and core areas of European private law. New concepts and approaches are thus required that are not limited to civil law and that are different from those traditionally embraced by national private law. These new challenges regarding the current status and perspectives of European private law are discussed in this volume by sixteen highly reputed researchers from across Europe. The contributions concern various areas of European private law, including contract, property, company, competition and labour law.
