Fudge is an all American treat. Fudge is a delicious and decadent chocolate candy, and it is quite challenging to make properly. It is relatively quick to make, but it needs to set for about 12 hours. Fudge can tough to make, but with the right equipment, ingredients, technique, and a little trial and error you can create incredible flawless fudge. The tricky part of making fudge is combining these items and cooking them properly to make a smooth, creamy, firm but pliable finished product. This book contains not only fudge recipes but other delicious candy recipes as well.
