

## Mp3 Atu - Nausea

[DOWNLOAD HERE](#)

The Clash meets with The Chemical Brothers, Caetano Veloso, Los Babasnicos and Gustavo Ceratti to produce Beat poetry, rock, electronica and driving rhythms in English and Spanish. 13 MP3 Songs  
ELECTRONIC: Techno, LATIN: Rock en Espanol Details: ATU is one of the main driving forces of the U.S.-Spanish rock/electronic hybrid sound. Bringing to his work the perspective of a Latin American who exist North and South of the border, his sheer diversity is his art. Fusing and playing across musical genres, ATU is constantly reinventing and exploring techno-sonic traditions, where diverse styles converge to compose a unique multicultural sensibility, perfectly "in-tune" with a new sense of culture. ATU's Nausea contains an intriguing collage of experimental songs made of a mixture of the Spanish and English languages. Provocative and artistically lucid, this work is a sharp representation of an identity generated in-between cultures. Nausea's surprising details and rock/electronica hybrid rhythms will leave the listener discovering more with each play. ATU Nausea contiene un intrigante collage de canciones experimentales hechas de una mezcla de los lenguajes Espaol e Ingls. Provocativo y artsticamente lcido, este trabajo es una perspicaz representacin de una identidad generada de-entre culturas. Los sorprendentes detalles e hbridos ritmos rock/electrnicos de Nausea dejarn al oyente descubriendo ms con cada cancin. Nausea, is a very diverse and strangely listenable collection of songs which crosses a number of divides in music, often bringing them crashing together. ATU is discovering new lands from the marshes that come between already known territories. In English and Spanish.
