

Mp3 Barnida - Highways And Graveyards

[DOWNLOAD HERE](#)

Screamo/Punk/Post Hardcore band from Northern NJ. Ripping fast paced guitars paired with honest yet intense lyrics. Certainly an album that will give your hydrenaline a boost. 6 MP3 Songs ROCK: Punk, ROCK: Hard Rock Details: Dubbed "Barnida" after the street vocalist steve bassist daniel grew up on, the band already has a strong local fan base. based out of east hanover, NJ, barnida hopes to gain fans nation wide with their alluring melodies and driving lyrics. only two years after picking up instruments for the first time in their lives, this quintet has proven to be extremely versatile as demonstrated on their debut EP "highways and graveyards." Having such a sweet, soft, soothing voice, Steve can use his vocals to lure the crowd into a peaceful trance, while seconds later turns it into a possessed, life threatening scream that electrifies the stage and crowd alike. With such honest lyrics that can relate to anyone, Barnida dips down into their souls to give their fans a true musical experience that leaves them wanting more. Make sure to keep your eyes on barnidafor upcoming shows, you wouldn't want to miss a performance they are brilliant...no they are spectacular...no, no words can describe their performance, so I'm forced to make one up...and I'm going to do so right now SCRUMTRALESCENT. I'm Tom Bodatton, we'll keep the light on for ya.
