Rockin Blues 8 MP3 Songs COUNTRY: Country Blues, BLUES: Rockin' Blues Details: Tucked away in the soft rolling farmland of Southern Indiana comes a musical talent with his first solo release entitled Country Boy Blues from Brian Fink. Now is his time to really shine.as one music reviewer puts it.its like Memphis collided with Nashville, blues, country and rock all met up and got intertwined. At the age of fourteen he began as a drummer, but the guitar held the magic for him and honed his skills on the road with touring bands from the deep South to the West Coast. Smoking guitar with a southern blend that is sure to make you stand up and take notice. Brian Fink roars out of the gate with his first solo release, a seasoned performer and songwriter he shows off his talents in all areas on this debut CD. A student of many musical styles over the years he can show his influences from Clapton, Hendrix and the Southern rock Gods of our time. Brian comes out strong showing his skills as a songwriter, producer, guitarist and vocalist in what is being hailed as a coming of age project. This CD gives you just what you expect from such a seasoned performer. The lyrics are true stories from the heartland of America and the voice is true. If you looking for real honest music that pulls no punches and is sure to make you smile, Brian Fink has it all packaged for you.
