

# Mp3 Clarence Johnson - Don't Tell Me It's Over

[DOWNLOAD HERE](#)

RANDB love songs 8 MP3 Songs URBAN/R&B: Soul Details: My album consist of love songs from the heart, It also has songs for everyone that are in love and people who just love talking and telling women nice things. I began singing in high school. I performed with a group that I put together. We song at various Night Clubs and in many talent shows. IN 1994 I began writing and I made this album titled Don't Tell me it's Over.The title is a song you must here. It's a relaxing Quiet Storm mood song. Singing has always been my first love. This album has a song for everyone. Listen and you will find your song.
