I started at age 14 with the Original Rythem Kings touring the North East then on to TV/Movie music and live performances of songs I wrote for shows at Radio City Music Hall in NYC and The Grand Old Opry in Nashville. I could drop a lot of names and places but it all comes down to the sound of this cd. Once you hear this music you will be delighted and you can write a review at the bottom of the page. One of the songs on this cd was written with the original Partridge Family hit writer Tony Romeo. Inside each cd are, liner notes and lyric of the songs. This is reality music.
