Christian Blues 12 MP3 Songs BLUES: Funky Blues, GOSPEL: Contemporary Gospel Details: In the early nineties, after 25 years of piano bars, rockin' blues bands... after countless gigs as a sideman to various blues and R&B artists, I formed my own blues band... we were known as Dave Foraker True Blue. When we won the prestigious Lowcountry Blues Bash in Charleston, SC (February 1996), we seemed to be headed for the "big-time blues circuit". Our first CD was getting great response on blues radio... we were booked for our first European tour. I was fully prepared to spend the rest of my life playin' singin' the blues in roadhouses, blues bars festivals. Instead, within days I found myself in the hospital... victim of a severe stroke. I spent several months in rehab-therapy, learning to walk talk. God was showing me that He was in control, at a time when I felt I was the master of my destiny. As soon as I was able to return to the studio, I removed the vocals from my recently completed debut CD. I then used the completed tracks as a canvas to paint the picture of my struggles God's amazing grace healing powers. "Jesus Loves Me" was a hit on MP3.com, hitting #1 on it's "Christian Blues Chart" remaining in the top 10 for over a year. The personnel on this album is as follows: Ted "Bubba" Robertson - bass , Rick Hodges - drums , Tom Williams - guitar , Wayland Jones - Hammond organ, piano. The CD was recorded, mixed mastered at Hit Sounds, Inc. in Spencer, NC by Jimm Mosher.
