Soul filled lyrics sprinkled with a combination of funky rock-jazz rhythms and a taste of harmonica. 8 MP3 Songs ROCK: Acoustic, POP: Folky Pop Details: Funky acoustic rock, a twist of soul, sprinkled with folk and jazz and you've got Eddie Prez in a nutshell. Born and raised outside of Chicago, Illinois this singer/songwriter began his assault on New England's music scene in early 2002 captivating audiences with his witty lyrics and boyish charm. In this short time, Eddie developed a style of music very reflective of the experiences that most young adults struggle through at some point in their lives. Singing songs of love, loss and all the in between, Eddie recently brought his music back to the Chicago scene where he opens chapter one and a half of his musical journey. Two Weeks Notice, his first full-length LP compiles eight songs that explain this title more than the words themselves.
