_____ "Heavily textured musics that leave a disquieting feeling behind as they roam stealthily through the corridors of the mind." -FACTSHEET FIVE "Grabbing his sounds where he can, he often mixes high-tech synths and samplers with such low-tech music-makers as coffee cans, and his compositions, often built from improvisational overdubbing, boast a charming yet adventurous blend of sophistication and naivete." -METROLAND _____ Eric Hausmann plays guitar, the Chapman Stick, trumpet, drums and cello. He's performed with Tres Gone, The Lions of Batucada, Kings on Straw Mats, Brainwarmer, Spilling Static Orchestra, Ancient Chinese Secret, The Gone Orchestra, Locust Pudding and Amscray Amok. In addition to his solo music, Eric has produced the work of artists from across the U.S., Japan, The U.K., Germany and South Africa, totalling more than 50 albums over the last 15 years. Eric also produces short films and plans to release a compilation DVD of his work in 2005.
