Details: Exceptional Edward is an indie-rock band from Columbus, Ohio. Since they began playing together in 2005, EE has continued performing at key venues around the region, building a loyal fan-base, and cultivating their exceptionally unique sound. With the addition of lead guitarist, Dan Gillis, in the fall of 2005, Exceptional Edward was transformed from a three-piece acoustic-driven trio, to a noteworthy indie-pop force, generating a substantial local buzz and earning a reputation as energetic and emotive performers. The band has played more than 40 shows and has shared a stage with regional and national artists including Brenn, Twincam and the Blood Violets and the Winter Sounds. Drawing from influences like Coldplay, Oasis, U2 and Radiohead, Exceptional Edward combines elements of classic Brit-pop, with a contemporary acoustic feel, reminiscent of bands like Counting Crows and Ryan Adams. The result is an original rock sound, featuring catchy hooks, infectious melodies and thoughtful lyrics.
