Jazz, rock, folk, and funk turned into songs like you've never heard, but will never forget. 12 MP3 Songs ROCK: Jam-band, ROCK: Classic Rock Details: The Family Junction is the space meant for music. Comprised of childhood friends, the Family Junction treats the stage and recording studio as a medium for coming together and expressing various musical styles. Family Junction creates a unique sound blending everything from funk to folk, rock to blues, and jazz to jam in an instrument swapping frenzy. The band comprises Alan Cohen (guitar/bass/vocals), Dan Levine (guitar/drums/vocals), Matt Ross (guitar/bass/drums), Ryan Pressman (guitar/bass/drums), and Seth Kroll (lyricist). During the summer of 2004 Family Junction recorded their first full length album titled "Pasta Bar". The album illustrates the wide range of style the band members are capable of. The band also regularly plays shows in the Boston and New York areas.
