Pop - A great blend of digital synthesizers and stylish vocals along with rock out electric guitar. 12 MP3 Songs POP: with Electronic Production, ELECTRONIC: Funk Details: Gary Dixon, born in England has been playing the guitar and writing songs since he was 11 years old. Music has always been a passion for Gary, but his love for song creation really came to fruition with digital technology. With the combination of sequencing, sample sounds and a flare for studio production, the stage was set for a career in the music industry. After a successful tour of Europe, the artist decided to head to America where he would strive to perfect his guitar technique and song writing. This album Leave a Message at the Tone is a reflection of his hard work. As he puts it, Music is the Key to Life!
