At fourteen, JAIME PAREDES wins various talent shows in the Los Angeles area, establishing himself as a singer and songwriter. The same year that he graduates from Huntington Park High School in 1999, JAIME PAREDES releases his first album, which is titled JAIME QUISIERA-. The album is promoted in California, Arizona and Texas. The following year, 2000, the album is officially in stores in Mexico and Central America. During the year 2000, JAIME PAREDES records and promotes various singles, which are: JAIME PAREDES MI OTRO YO-, JAIME PAREDES VERDADERO MENSAJE-, and JAIME PAREDES LIBRO DE ROMACE- these singles are still being played on South American radio. Turning his back on fame, JAIME PAREDES decides to leave the music industry to enroll in one of the most prestigious universities of southern California. In 2001, JAIME PAREDES releases his first single in English which is titled JAIME WILL YOU COME WITH ME- the single sells more than five thousand copies in the Los Angeles area alone. During his years in college, JAIME PAREDES unites with his father to expand Paredes Music, Inc., a record label that his father founded in the early eighties. They both open departments of production and

promotion in El Salvador, Guatemala, Peru, the USA, and a promotion department in Japan. During the years of 2001 to 2004, JAIME PAREDES maintains a strong discipline in his academic studies and writes songs for an endless list of artists, from ballad soloists to tropical bands. Many of these albums were produced under his direction. JAIME PAREDES doesn't make any artistic performances during these years; he expands his art behind the scenes. JAIME PAREDES makes his first public appearance on May 2004 when he graduates from California State University, Dominguez Hills with a Bachelors Degree in Business Administration with a concentration in International Business. One month after his graduation, still only twenty three years old, he releases MIL GALAXIAS EN UN MUNDO of JAIME PAREDES, a book of poetry that reflects the extreme sentiments of a romantic lover. The book is put on sale throughout the California State University system, including two private universities, UCLA and USC. The book is also promoted in the entire California region and toward the end of 2004, MIL GALAXIAS EN UN MUNDO enters the market and academic institutes of Mexico, Central and South America. MIL GALAXIAS EN UN MUNDO is promoted in the eastern United States toward the end of 2005. JAIME PAREDES does book signings in various libraries, institutes, and universities in Washington D.C, Maryland and Virginia. During an interview in Los Angeles, California, JAIME PAREDES publicly announces that his next poetry book would be in the English language. JAIME PAREDES, a young man of only twenty five years of age, shows up stronger than ever with the sole intention of sharing his talent with us, leaving this as his humble contribution to humanity.
