"Christian Gospel Message" all original music with some Rock, Jazz, Blues, Latin, Pop, and a little Country added to the mix 10 MP3 Songs GOSPEL: Contemporary Gospel, BLUES: Rockin' Blues Details: VISION VII RECORDINGS SPREADING THE GOOD NEWS OF THE GOSPEL THROUGH MUSIC "Got Ta' Tell Somebody"- This is one of three SONGS OF PRAISE projects that has been in the making since 2003, and has long been the desire of my heart to use the talent that God has given me for his glory. Before coming to the Lord Jesus early in 1970, I had always been a weekend musician (guitar player). My wife and I both received the Lord at the same time while living in Portland,OR. We both experienced the miracle of the gift of salvation and the meaning of being "born again". Our three children are now following the Lord also. "Praise the Lord". At the time of my conversion I was thinking that I would have to give up my music and I sold all my instruments. I discovered later, I didn't have to do that. The church we began attending, to my surprise, was very musical with drums, piano, bass, guitars etc. Through the years working as a journeyman upholster between California and Oregon; I was able to buy some instruments and recording equipment. In my spare time I work on writting songs and putting them to music in my studio. I have thank the Lord for our two daughters and my son also, as they have given me much support and encouragement through the years. I owe my grandson "Dylan" a debt of grattitude as he has been great in helping me put all this together, he is also co-producer at Vision VII Recordings. My hope and prayer is that the Holy Spirit would use the music that He has given me to lift up, edify and minister to the listener. In Jesus name amen.Thank you viewing, and listening God bless you. Jerry Herrera (PS) The other two projects are on the way in the near future "On Eagles Wings" (instrumental) and "Song Of Praise"
