Really Fun, Quirky Pop Music from The Craziest One Man Band Alive, Get Your Limited Edition C.D. Today. C.D. Includes a Hand-Written message and an autograph from Jim Mason Himself. 6 MP3 Songs POP: Quirky, ROCK: Psychedelic Details: A brand new creation from the confused mind of Jim Mason. Mr. Sandwich is one of those albums that comes around maybe once a decade that leaves the listener amazed and confounded!! "Is that a masterpiece or a piece of crap I just heard?" many utter after first listen. After a second listen most people conclude that it is a delicate combination of the two. Throughout the annals of history only a few people have inherited this rare gift of genius and stupidity and Jim Mason is one of those people. Relax, listen and enjoy but please hold the mayo!! note from the publisher: Not only did Jim Mason write, record, play and mix this album. He also made the actual c.d. and artwork while in a State of Deep Denials. This C.D. contains an actual Hand Written message by Jim Mason himself, making this the most coveted collector's item for the Indie Music Lover Ever !! To make this whole thing even stranger, Jim does not remember recording this album let alone making the album cover. Jim woke up the next morning in a daze, covered with bread crumbs.
