If Peaches, Mickey Avalon and Lil' Kim had a wild threesome and made a gaybie. 6 MP3 Songs in this album (31:52) ! Related styles: ELECTRONIC: Dance, ELECTRONIC: Electro People who are interested in Peaches Mickey Avalon Cazwell should consider this download. Details: Just in time for Gay Pride 2009 and hot on the heels of his 80's-inspired single "(Wan Dat) Azz Iz," Johnny double-deckers with more raunch than ever for his sweet and equally sticky summer track, "Hotline." "Hotline" is the fourth single from Johnny's sophomore album *White Hot*, and features Qboy and Soce on the original version with special guests Tori Fixx and DownLow on the additional remixes. "Hotline - The Remixes" has some of Johnny's hottest remixes to date, with special production from Tori Fixx, DJNB, Eric "Ed Bliss" Daly and DownLow. The maxi-single also features the "Glam God Drop Remix" of Johnny's album track, "Gayngsta Glam." Whether you prefer to get your party on the dance floor, or your freak on in the back room, Johnny's ready to ride the rhythm with you whatever you decide to do... After all, everybody wanna call his "Hotline, and everybody wanna' listen in!" Check out johnnydangerousworldfor the racy R-rated video "Hotline" cumming in mid-June!
