Related styles: URBAN/R&B: Neo-Soul, BLUES: West Coast Blues People who are interested in Eric Clapton Robert Cray Curtis Mayfield should consider this download. Details: Muwakal has been compared to Robert Cray, Curtis Mayfield, Gil Scott-Heron and Mr. Biggs/Ronald Isley. Muwakal is turning the musical world upside down, one genre at a time. Bluesman is their second CD and is nothing short of sensational. Muwakal makes fearless political statements in a time when so many groups are cowering and pandering for airplay. These songs come from a deep spiritual well and are life enhancing. Nothing changes your mood as fast as music. The moods created by Muwakal are amazing and must be experienced. Listen and enjoy. The first CD "Legacy" was well received and presents an eclectic compilation of songs with tremendous meaning. There you will find the roots of Bluesman. Lyrics from Legacy include "People that hurt us, we don't want to forgive. We get stuck in a place that won't let us live. You've got to let it go." And, "I've had such a good life, who am I to complain, thank you Master, for these blessings I can't begin to explain, but in the best life, even in the blessed life, there comes a little pain sometimes."
