You've got the evening free, the weekend off, or a late night date, and this is your music to play, relax or entertain with. It's music to inspire you for fun. To change your mood from work-a-day to weekend, from stressed to sensual. 11 MP3 Songs JAZZ: Traditional Jazz Combo, JAZZ: Smooth Jazz Details: "You've got the evening free, the weekend off, or a late night date, and this is your music to play, relax or entertain with. It's music to inspire you for fun. To change your mood from work-a-day to weekend, from stressed to sensual. So join me, and my friends, for some "Jazz After Hours". You'll be glad you did!" Lisa Hilton Lisa Hilton's piano has been favorably compared to fellow pianists Oscar Peterson, Bill Evans and George Shearing but her style is all her own. "I can't emulate anyone else - I can only play like myself. The piano is my voice and a joy that soothes my soul, seduces my senses and is so much FUN!" Hilton's beautiful melodies, catchy beats and emotionally played music have captured the attention of listeners of all ages and is currently being played on radio in the US and abroad. She is joined by Eric Marienthal on sax, Reggie McBride on bass, and Tal Bergman on drums.
