Guitar based rock roll in the style of mid period Stones, Black Crowes, Faces, and Beatles. 11 MP3 Songs

ROCK: Classic Rock Details: "Play Some Rock Roll!" was recently named by NY ROCK MAGAZINE (nyrock.com) as one of the best indie albums of the year. "Play Some Rock Roll!" is Mambo Sons second cd following the release of their self-titled debut featuring Rick Derringer in 2000. This cd has already been heralded from many in the rock world including former Aerosmith guitarist Jimmy Crespo as a refreshing change in this digital age. All fans of guitar-based rock and roll should check this cd out, or hear samples at the bands website.
