One of the best unknown industrial bands of the nineties are back. With dark although catchy industrial EBM that would please almost any fan of oldschool industrial/EBM. Grab your copy now, as this item is limited to only 500 copies worldwide. 21 MP3 Songs ELECTRONIC: Industrial, ELECTRONIC: Trance Details: Double CD collection from Swedish EBM duo Morticians : "Mutilation Recreation" comes presented by newborn industriual label Plutonium Records and overs a vital overview of this underated hard-electronic act. Morticians produce hard, catchy and firmly melodic industrial / EBM with an emphasis on brooding atmosphere and dark melody. Now reformed in 2004 - this double collection comes remastered courtesy of Andreas Tilliander and compiles brand new tracks together with remanipulated older versions and remixes from current scene icons (Project X, Pain Machinary and Severe Illusion to name a few). "Mutilation Recreation" is presented in a Limited Edition of 500 copies only, and gives a great insight into this undiscovered band - for fans of firmly electronic / EBM with phased vocals and melodic atmospheres.
