"Anointed." "A must-listen for everyone who loves Praise and Worship Music." Awesome Christian Praise songs of Celebration mixed with deep spirit filled Worship songs full of harmonies that will make you want to sing along and praise and worship the Lord. 10 MP3 Songs GOSPEL: Contemporary Gospel, GOSPEL: Traditional Gospel Details: Recorded in Nashville, Celebrate! Heartfelt Praise and Worship includes a combination of Praise songs of celebration of our Lord Jesus Christ mixed with deep spirit filled Worship songs that bring us closer to God. The single release "Hope Never Fails" is a word of encouragement for anyone who is going through a difficult time in their life and need to know that God loves them. Scott McFarland is a worship leader in the Atlanta area and has a huge heart for God and a passion for worship. Scott and his wife Rhonda have two beautiful children and love to serve the Lord in many ways including children's ministry. He has been a Christian since the age of 10 and just wants to share the music the Lord has given him with the world. The songs on the CD are all original with a fresh sound and quickly bring people into a mode of participation by singing, clapping, and worshiping the Lord. The CD is quickly gaining the attention of radio stations across the US for it's originality and quality. The songs are written so that churches of all sizes can use them in worship settings. Chord charts can be made available. If you like Chris Tomlin/Passion, Matt Redman, Paul Baloche, Darrell Evans, and Vineyard worship, you should buy this CD. It will touch your heart! It is full of smooth acoustic guitars, excellent electric guitar, great drum beats, percussion highlights, various keyboards and strings, and lots of vocal harmonies.
