

Mp3 Spitznagel - Moments From Anywhere

[DOWNLOAD HERE](#)

Jazzy-ambient-glitch music for adventurous meditation. 8 MP3 Songs NEW AGE: Meditation, ELECTRONIC: Experimental Details: The music on Moments From Anywhere started as down-tempo, glitch-based noise to reflect a bitter-sweet mood but soon morphed into a full blown jazzy-acid-glitch-tech trip into the world of dreams, nostalgia and the unknown. SPITZNAGEL's music ranges from acid-jazz to retro-electro to techno-dub to laptop-blip'n'glitch. With 30 years of experience in the music business and 15 of those as a professional musician, SPITZNAGEL brings a broad perspective to the worlds of electronic, experimental and sample based music. CADENCE, the world-renowned jazz magazine, has stated: "SPITZNAGEL negotiates a unique solo performance using electronics as his paintbrush and an extra-wide soundstage on which to splatter his creation".
