

Mp3 Steve Lorig - Just Along For The Ride

A blend of folk, blues and rock with a cutting truth to the lyrics. 11 MP3 Songs FOLK: Folk-Rock, FOLK: Folk Blues Details: Yeah, I'm just along for the ride. Somedays it doesn't matter what your intentions are; or what direction you're facing; you've just got to go with flow. Other days, when there's an ebb in the current, you've just got to break free. I guess that kind of describes this collection of songs. Some songs have a familiar feel to them while others might make you a little nervous. This cd contains my usual political and social commentary with, as one reviewer said, "a cutting truth to the lyrics". But new, for me, is the addition of what you might call "love songs". Yeah, it's all touchy-feely. Don't worry, there's still plenty of songs about guys jumping off balconies and drowning in icy rivers, as well as, songs about exploited immigrants and those dirty, low-down, lying politicians. The song "Think I'm Going Down" was featured on National Public Radio's All Songs Considered Open Mic program, you can check it out here: npr.org/templates/story/story.php?storyId=5504465 A last minute addition to the album was, "The Sun Won't Shine" which considers the long term effects of a nation on anti-depressants in the wake of the shootings at the mall in Omaha last December and the recent NIU shootings. Thanks for checking out my cd and hope you enjoy it. Steve People who are interested in Bob Dylan Gordon Lightfoot John Prine should consider this download.
