Collegiate Pop-Rock A Cappella 11 MP3 Songs in this album (42:18)! Related styles: POP: Today's Top 40, EASY LISTENING: Vocal Pop Details: In 2003, a small group of students decided that they wanted more than traditional choir music. What developed was Take It SLO, the premier a cappella group of California Polytechnic State University. Take It SLO delights in entertaining audiences up and down the Pacific Coast. We've done it all: concerts, festivals, and competitions. Take It SLO is entirely student-run, and all music is arranged by members of the group. Our debut CD answers the question, "What happens when a band can't afford instruments?" In our case, we play them anyway.
