WHO IS TASTE OF SEXY (TOS) TOS (Taste of Sexy) a native of Alabama discovered her love for music as a military child traveling across the world to different parts of the Country. It was in Darmstadt, Germany where it all began. TOS began singing at the tender age of 6. Her mom noticed the start of her interest in music when she sang the lyrics of recording R&B artist Brandys, Sunny Day. During TOS early years she was initially inspired by the songs of Brandy, Monica, TLC, Whitney Houston, Tevin Campbell, Patti Labelle, and AL Green just to name a few. Her mother did not realize the seriousness of her love for music until she reached age 12. TOS joined her hometown church choir and began writing poems, that later gave her ideas to write lyrics. A relocation to Junction City, Kansas 2004, would lead her to begin participating in numerous Talent shows. Excited about the way she moved the crowd, winning second and third place were not good enough. She convinced her mom to enter her into the Fashion Rock Talent Search, held in Orlando,

Fl., where she gained the experience and knowledge of showcasing her talent to industry audiences. The workshops and networking inspired her to become a full time performer. TOS knew she had to work on mastering her craft after this event, because of the excellent talent she witnessed. She would continue to perform in high School functions until graduating high school. By 2006 while attending Alabama A&M University, TOS auditioned and became a member of the AAMU gospel choir. The Choir competed for a spot on the Bobby Jones Gospel show, winning second place. TOS would miss the opportunity to perform on Bobby Jones show after the win, due to her dedication with mastering her craft. TOS found her niche and knew hard work and dedication would soon pay off she released her Debut self titled LP "Taste Of Sexy", fall 2008. A&S Management & Entertainment 2008 Tags: pop
