West Coast, world-folk-rock fusion with three part harmony 12 MP3 Songs FOLK: Modern Folk, WORLD: World Fusion Details: Terra Nova makes music for people who aren't afraid to move and think at the same time. We meld elements of world beat, experimental improv, and modern acoustic music into an eclectic, organic sound that doesn't fit any particular musical category. You might say we're genre-benders. And we hope you'll join the fun as we mix it up, invite the muse, and go with what she brings. Instruments include: male and female lead vocals, 3 part harmonies, mandolins, violins, octave violin, electric acoustic mandocello, waterphone, udu drum, guitar, spring guiro, bug, sonic ray, bass, drum set, didgeridoo, dumbec, djembe, talking drum, conga, surdo and many more.
