Classic jazz elements,hiphop and soul,and r&b 13 MP3 Songs JAZZ: Jazz Vocals, URBAN/R&B: Soul

Details: A year later he produced his second album, "In the Middle of the Crowd", demonstrating his willingness to allow his abilities to grow. With "In the Middle", Walter was able to retain the motion and spirit which made "Fly" so unique, while drawing from classic jazz elements, hip hop, and R&B. The result was a refreshing sound of confident sophistication.
