To his credit, Bill Moss, Jr. has served as Musical Director and musician to Byron Cage (An Invitation To Worship), and he has contributed his skills and musicianship to his brothers (J Moss) highly successful debut album (The J Moss Project). All songs were written by Anita Myles except He's My Light and Nothing Is Impossible (which was co-written with Bill Moss, Jr). Music composition credits go to Y'Dell Myles, Bill Moss, Jr. and Anita Myles.
