Energetic rock-pop-punk from the Southeast. 12 MP3 Songs POP: Power Pop, ROCK: Punk Details: The process of splitting an atom results in the release of a tremendous amount of energy, which is why the name of this Atlanta quartet is so appropriate. The group's contagious fission of punk drive, pop melody and classic rock soul has garnered it critical praise and local songwriting awards. On One Ton Suit, Atomsplit looks to enrapture the rest of the country in a similar fashion. This 12-cut album is a sizzling meltdown of raw kinetics and catchy hooks, particularly on tracks such as "I Can't Do (Worse Than You)" and "Crashing The Void." Even on the mid-tempo, lover's laments, these guys still bare teeth. One Ton Suit is power pop performed the way it should be: loud and fast without ever letting them see you sweat. - Ron Hart: CMJ New Music Report Issue: 646 - Dec 13, 1999
