10 Instrumental hip-hop beatz from multi-platinum producers 10 MP3 Songs URBAN/R&B: Contemporary urban, HIP HOP/RAP: West Coast Rap Details: Since its inception in 1989, Beatology projects have sold over 45 million records, putting hard hitting sounds into heavy rotation on radio. Beatology has poised itself to enter the new millenium with vengeance. A sampling of the platinum producers, writers, musicians and engineers of this exciting new entity include Gordon "Stealth" McGinnis, Cold 187um (Above the Law), KMG (Above the Law) and Martin Johnson. Beatology has also assembled a host of fresh new talent. In the short time since Beatology's entry into the music business, producing hit music has become the substance that will make this super production team well into the new centurions. Beatology producers have already turned out tracks that gave early exposure to several now platinum artists. Our producers have also worked with many of today's already established platinum recording artists (see discography). Beatology prides itself on being uniquely positioned to offer quality hit music in most any genre. With an array of styles ranging from hard core rap and hip hop to R&B, Inspiration, Alternative, Reggae and House music, Beatology extends far beyond the competition. Beatology is just beginning to realize its full potential. It's goal: to become one of the most sought after, and most respected record companies of the next decade. Be on the look out, because Beatology is on the cutting edge of the industry. As we look to continue establishing and working with many of today's hottest artists, and most respected record companies, we are thrilled at the unlimited opportunities. We welcome you to join the experience.
