Left-of-center indie roots rock by a singer/songwriter inspired by the likes of Bruce Springsteen, Paul Westerberg and Steve Earle 13 MP3 Songs ROCK: Americana, ROCK: Roots Rock Details: If Bruce Springsteen and Patti Smith had a love child and gave that baby to Paul Westerberg and Steve Earle to raise, that baby might have grown up to be Bryan Hurst. Bryan's an American musician, through and through. His atmospheric roots rock sound proudly claims its heritage while pointing in brave new directions. His songs reveal hidden truths about love and heartbreak, ambition and disappointment, yearning and hope -- and a strong, honest voice is his secret weapon.
