Great for relaxation and journeying into your Soul...or just going to Sleep... 11 MP3 Songs EASY LISTENING: Background Music, NEW AGE: New Age Details: The Native American Flute is a very important part of my "Spiritual Journey" which I began in the year 2000. The Native American Flute is the "key" for unlocking my soul. It is my tool for getting in touch with my innermost being and a way to share it with others. My music represents the language of my soul and therefore has become the vehicle of my ministry. I give thanks for the gift of the flute from the Native Americans who made it such an instrument of THE SPIRIT. MAY YOU ALL BE BLESSED BY THE GREAT SPIRIT.....[CARL PERRY] REVIEWS: ...so enjoyed your CD on my way across town and what a beautiful collaboration between two friends: art and music...[RUTHIE] ...Congratulations on your very nice CD.
