Her work has received great feedback from other artists and industry people including television producers from Granada and BBC. Reviews "This is top quality music " Mathew Tucker (granada television Producer) "Her music is warm and sensual, descriptive and inspiring." Bill Foster "Just thought I would email you and let you know how great I am finding the SOUL SEARCHING CD. You can really feel the changing moods and feelings as you go through the songs. I have been trying to match the titles to the sounds and the rhythms and they really do create some great pictures and feelings. "My favourite track is New Beginnings - its feels so bright and fresh, I can imagine shooting stars and the sunshine after a rain storm and it really energises you. The Wind chimes track made me smile, it has definately your Spanish roots, The more emotional tracks do encourage you to go deeper into yourself and really make you think..." Daniel Connelly " Beautiful music making " Angela Sellens "A very strong music, inspiring, visual , it leaves you with a warm feeling inside, it makes you feel at peace " Anita Lorenzo
