The cd starts with a dimensional outlook on the contents of his work, with the melody..."RA"...named for the Egyptian Sun God, a "mythological being" that McGee holds dear to his heart. Only to be continued with track #2..."Burning Sands"...which will set your mood for gray cloudy sunset skies above the plains of deserts...and beyond. McGee continues to enhance the listeners attention beyond these 2 tracks, so to relax the mood...for example, track #4..."Air Delay". This cds continuity unfolds a relaxing 54 minutes of soothing dimensional music to any and everyones ears. Please enjoy the 2 minute segments offered here at CD Baby, and add this cd to your home collection of New Age/Ambient music.......
