dark, experimental soundscapes with eclectic lyrics 14 MP3 Songs ROCK: Psychedelic, ELECTRONIC:  
Experimental Details: Dead Air Animal is a group from Winnipeg, Manitoba Canada. The music is dark and atmospheric, perfect for turning the lights out and letting your mind wander. About half of the tracks on the album were created as incidental music for short films, the rest are a compilation of various experiments in the studio. This is not the music of teen angst or adolescent heartache, it is meant for those who are looking for an alternative to mind numbing commercialism and stereotypical top forty pop. Dead Air Animal is for anybody who is intrigued by the strange side of life, if this is you, sit back and enjoy.
