I was raised in Milwaukee and moved to San Francisco in 1968 with the A. B. Skhy Blues Band. I toured the world with Queen Ida and Her Zydeco Band from 1984 to 1991 as her lead guitar player. I'm influenced by Delbert McClinton, Keb Mo, and others who enjoy a good groove and interesting lyrics. If you enjoy this CD, I have another one titled "Souveniers of Time".....thanks for listening.
