Wonderful combination of island rhythms , beautiful vocals and serious jams. 9 MP3 Songs WORLD: Reggae, ROCK: Jam-band Details: Dr. Jah and the Love Prophets deliver socially conscious, upbeat reggae and ska with a jam band flavor, and has built a loyal fan base by playing blistering shows throughout the Northeast U.S. over the past 15 years. The band builds on a foundation of solid island rhythms and fearsome fretwork, and then tops it off with powerful lyrics of love, peace and solidarity. Dr. Jah further extends reggae into new directions by adding elements from soca and psychedelia. Dr. Jah has shared the stage with many of today's greatest artists of reggae, ska and jamband rock, including the Wailers, Yellowman, Moe., Dub Is a Weapon, John Brown's Body, the Toasters, the Skatalites, Moon Boot Lover, Guster, Schleigho, No Outlet and many more. Some kind words about Dr. Jah and the Love Prophets from the press, musicians and promoters: "Great band"
