

Mp3 Driven - Wreckage

[DOWNLOAD HERE](#)

This is the second release from the band Driven. The music is characteristic of Rock/Progressive Rock. The songs will take you on a musical journey from thoughtful lyrics to melodic instrumentation. Enjoy true musical art from this band. 10 MP3 Songs ROCK: Progressive Rock, ROCK: Modern Rock Details: Driven is Jason Garbacz, Steve Lentz and Brad Martens. They have released two CDs; Optimism Kills and Wreckage. The CDs are full-length releases. The music is characteristic of rock/progressive rock. With strong melody lines and big guitar, keyboard sounds the band had found a sound of their own. The lyrics are relate to past experiences and feelings of society. Jason Garbacz is the bass player and has several years of experience. Steve Lentz is the guitarist and has many years of live performances throughout the Midwest under his belt. Brad Martens is the drummer and keyboardist and has been playing for several years. All three members sing lead and back-up vocals at various times. The members of Driven joined forces in 1994 while working together in a band with various musicians. Jason and Brad have been working together since their high school days. Steve came along during in the early stages of the band's development in 1994. After several years of doing cover tunes, Jason, Brad, and Steve decided to form Driven and write and record their own music. With nearly the same background is musical interest, the combination works well, and they have produced their own sound. They recorded Optimism Kills in the winter of 1998-99. and released in that spring. They then recorded Wreckage in the winter of 1999-2000 and released it early 2000. Their music has been featured on radio stations WIBA Fm 101.5 in Madison, Wi., The Fox97 in Neenah/Menasha, Wi., and KTST Fm in Orange County, California, on the show Rockwired. They have done live interviews on these stations also. Their music has also been featured on the internet receiving Track of the Day at Garagebandthree times with the songs; Let it Go On and Wreckage. These songs are from the CD Wreckage. The band has been

featured as Artist of the Day on Webcds several times. The band recently shot a live video, which was featured on NetJamsTV from September through December of 2004. Right now the band has just finished recording their third CD., and will be releasing it soon. CDs are for sale at cdbaby.com, TowerRecords.com, Bathtubmusic.com, Panartist.com, and Amazon.com.
