Classical Music set to New Age and Modern Rhythm Styles 12 MP3 Songs CLASSICAL: New Age, POP: with Electronic Production Details: The music interest started at age 6 with playing a simple melody on the piano, after hearing a recording. At age 8, piano lessons were studied from grade school; continued through high school and college. Drum/percussion studies started at age 9 and vocal studies were started at age 10. At the end of five years of college studies, a Bachelor of Music Degree in Performance/Pedagogy was received in the percussion area. Since graduation of college, many opportunities of performing on piano, keyboard, drum and voice have taken place. Currently, keyboard accompaniment is done at Unity Church Centre in Girard, Ohio during the Sunday morning services. Music instruction in piano, keyboard, drums and voice are done at Daybreak Music in Cortland and privately in the home. Drum and keyboard performances are with "Power of Praise" Christian Rock Band and the Girard Community Concert/Dixie/Dance Bands. Awards Received: Superior ratings in piano, drum and voice through the OMEA High School Competitions. Who's Who In Music for superior ratings in the Junior Musicians Club (grade school years). During the summer of 1985. A European Tour took place for 28 days. The tour was with the Waren Junior Military Band; comprised of 20 to 25 area local schools, age ranging from 12 to 21. The "Kicked Up Keyboard Classics" CD will hopefully give you a new insight on how old music can still have great sound with today's technology. The songs include styles of New Age, Pop, House and Rock to give the album a unique listening experience.
