Eclectic New Age Jazz. virtusoso guitarist, violinist, pianist, composer. 10 MP3 Songs NEW AGE: New Age, JAZZ: World Fusion Details: From the Jazz leanings of the title track to the intimate piano solo "Coffee Angel", this excellent recording defines art music. The program starts off with a Fretless Guitar solo on "Jass", then segues into "Dreamtime" featuring Stephan's custom made electric violin. Listen to the wonderful Harmon Mute trumpet solo in "Summer"; the spirit of Miles lives on! Stephan demonstrates his virtuoso guitar playing in the epic "Scream/Out of the Storm". The ethnic percussion provides wonderful texture and support for the top notch musicians to interweave their solo melodies. Give it a listen, I'm sure this disc will find a spot in your iPod!
