

# Mp3 Last Year's Model - New Wave Of Attack Mode Robot Pop

[DOWNLOAD HERE](#)

Cartoon robot punk rock for your retro super future dance party. This is new wave of attack mode robot pop, okay?. 11 MP3 Songs in this album (23:43) ! Related styles: POP: New Wave, ELECTRONIC: Pop Crossover People who are interested in The Faint POLYSICS should consider this download. Details: One part machine precision and one part nervous breakdown, Last Years Model makes music for the club inside the Commodore 64 inside your head. They abandon the traditional idea of rhythm guitar in favor of 8 bit rhythm synths and hooky lead guitar lines, then add new wave / electro basslines and a combination of programmed dance beats and live punk drums to achieve their spastic pop sound. Though they began as a duo in February 2006, the current line up did not solidify until June 2007four robots with one purpose: dance, dance dance, ATTACK!
