acoustic, alternative, high energy rock 8 MP3 Songs ROCK: Acoustic, POP: Power Pop Details: LIR is a three piece acoustic, high energy, alternative, rock band with dynamic melodies and harmonies. A new band they are, new to the music scene, they are not. Sean Flwayne have played together over the last 9 years, most known playing and touring with the now defunct Jeff Greer Band, they added Pat and LIR was birthed. The band was formed in early '04 playing as little as once a month, and spending three months in the studio. Now in early '05, in support of their debut cd," from nothing to everything" they are out on the road, ready to show the world the gift they have been given, to move and entertain anyone who will lend an ear.
