Los Angeles sickness; An exercise in debauchery, mayhem, and metal. 6 MP3 Songs METAL: Heavy Metal, METAL: Metalcore Details: Based from the hottest, dirtiest, smelliest place they could find (the 818 area code), formed from the sickest members of LA's Men In Black (Florida's Slavestate and Cleveland's Ethyl's Bong), a bizarre mix of chaos and horror laced with metal and mayhem, MANDOWN is poised and destined to occupy this new millennium. A unique and twisted sound that is to be compared and reckoned with. A live and extremely visual art form of psychotic imagery. With monster riffs that hook into your skin to sonic, disturbed vocals that paint a picture and tell the story. From the deep, gut-wrenching lows to the forceful, hellbent drumming, you are captured and prepared for an onslaught of evil loudness.

MANDOWN has and currently shares stages with the likes of: Skitzo, Dim Tribe, Weedeeter, Decontrol, DBX (featuring Dave Brockie/Gwar),Level, Inoxia, Hells Children, Bloodsak, and Creepazoid. The band has also been featured on New Level Wrestling's Maxxed Out. The band is: Sikko McFukrhed Bass/Vocals Dread Sikfuk Vocals/Guitars Dik Phister Drums/Injuries
