The cedar flute is your magic carpet, and its beguiling music is the wind that gently carries you along on this special Celtic journey. Paul Zimmer, an extremely talented song-writer and cedar flute player, continues to win acclaim as he tours the country each year. His playing style is soft and extremely haunting, earning him the title of "Master Of Relaxation". Paul is also a Medical Hypnotherapist who has studied the effects of music on human emotions and reactions. Zimmer's music CDs are not only beautiful songs, but embody his unique and relaxing playing style that has endeared him to so many listeners. The CDs are mostly his own original compositions, some with background music and others solo flute. Truly expanding the cedar flute's potential, Zimmer plays in many different styles such as Celtic, Native American, Gospel, Romantic, and more.
