

Mp3 Peter Jones - The Metal Garden

[DOWNLOAD HERE](#)

Explorative modern music combining the prepared piano with an array of percussion sounds and colors. 20 MP3 Songs CLASSICAL: Contemporary, JAZZ: Weird Jazz Details: Pianist Peter Jones and percussionist Tigger Benford collaborated to create The Metal Garden. The music is a series of improvisations based on time and character. The prepared piano combined with the wide range of percussion instruments sounds both modern and ancient. The music pulses and it also floats in slow time. Violinist Sam Bardfeld and saxophonist Bruce Huron make guest appearances
