A Celebrative Music. 7 MP3 Songs GOSPEL: Contemporary Gospel, URBAN/R&B: R&B Pop Crossover

Details: An organization of people called by the Spirit of God to be used to motivate and uplift the body of Christ to make it known to the lost that there is hope and an alternative. To expose our adversary, which is not any particular race, thing, or place, but the devil and our fleshly desires. The primary function and goal of the Posse is to take back and reclaim in the natural what the Holy Ghost has already done in the Spirit. To provide the man power and logistics to serve our communities, churches, and other ministries of the same calling. At this time our main focus is directed toward our youth. Our theme is "You can serve God and keep your personality". Our vehicle is music, an alternative to what the "Worldly Music" has perverted, misinformed, and negatively influenced in our minds. We have formed a group of musicians and singers to promote the name of Christ and to continue to renew young minds and lifestyles. With dedicated men and woman of God, local churches, and other christian organizations at our flanks, we are proud to be a part of the movement of God. The next phase of attack in this Spiritual Battle is to give these youth (that have taken on the challenge to become "Christ Like"), an environment that they can share and grow in their spirituality. A place or places "Christian Clubs" (workshops) where they can express their ideas, goals, etc. A runway for talents and gifts, to be perfected through understanding the purpose and will of God according to their individual lives. Now understanding that God's sovereignty is in full control and that, we as Christians, will win this battle. We fight under the direction of the Word of God, taught with understanding, prompted by the Holy Spirit and carried out with a willing heart and mind. The Posse 4 Christ will Ride! POSSE: TO COME TOGETHER IN CHRIST FOR AN EMERGENCY SITUATION 4: FATHER, SON, HOLY GHOST, AND YOU CHRIST: VISION In March of 2002 P4C Band ministered for the 1st time at a youth event, hosted by Charles "Chuck" Farmer, at My Brother's Place, in

Now under the leadership of Alan "Mickey" Wilson, then Posse saddles up to God's will when ever we are called upon! We minister at block parties, church picnics, prisons, shelters, youth events, community days, etc. We are on a mission to expose our true adversary. Under the direction of the Word of God ... prompted by the Holy Spirit ... The Posse 4 Christ will Ride! Posse 4 Christ is stepping out of the boat of traditional gospel music with what they call "Celebrative Music" ... So we ask that you not hate the unfamiliar, but Pray our strength in the Lord.
